

## **Infection Control at Mount Farm Surgery**

**The Partners and staff at Mount Farm Surgery are committed to minimising the risk of infection to ensure the safety of patients and staff.**

**The surgery has policies and protocols in place to support good infection prevention and control practices, and to ensure our facilities are clean and fit for purpose.**

**The Infection Prevention and Control Lead Clinician for the practice is Nurse Julie Friend.**

**If you have any concerns regarding infection control or the cleanliness of the practice, please do not hesitate to contact Jayne Nayler, Practice Manager.**
